

THREE WAYS TO PARTICIPATE:

1

NOW

Make the largest possible one-time gift you can as we launch this two-year push. Your gift right now will help jumpstart the process and give us vital momentum.

2

MONTHLY

Do something—whatever your budget will allow—every month for the next 24 months. God may lead some to give up a regular unnecessary expense like a daily coffee drink for a season and divert that money to this important cause. Be creative!

3

TAX SMART

You may be able to donate appreciated assets (such as real estate or securities) and even realize a tax benefit.

Please use the enclosed Bible Bookmark—Prayer Reminder as a prompt to lift up the vision, students, faculty and alumni of Faith Christian School as we all work together to develop authentic Christian leaders.

OUR OPPORTUNITY:

Relocate the High School to Dallas Road and Expand Enrollment

OUR VISION:

A Place for Equipping Authentic Christian Leaders

OUR GOAL:

\$3.5 Million

God has given the Faith family an incredible platform. Eyes all over America are looking to us.

So, let's rise to the challenge. Let's run to the battle. Let's be generous, courageous and servant-hearted. Let's show a watching world what God's people can do together.

Thank you!

Your commitment and gifts are confidential. A financial commitment to Vision 20/20 is not a legally binding contract.
